

TOM CFA 2.1

This version of TOM is developed specifically for the CFA restaurants and the special demands on the design in your environment. To fit in perfectly in your business, TOM CFA 2.1 is covered with stylish wooden boards in the colors Heritage & Spice and the height is significantly reduced.

**BUILT TO FIT IN
HARMONIZES WITH
YOUR DESIGN**

WOODEN BOARDS

This TOM is built into a case of wooden boards with a beautiful smooth surface, which is resilient and easy to wipe clean daily. Heritage and Spice are the two standard colors at CFA restaurants.

EXTRA LOW HEIGHT

TOM is already a compact size unit and in this version, we have reduced the height to only 3'10" (46")! It provides you with excellent placement opportunities and meets the requirements of ADA.

Heritage

Spice
