ATTN: Mr. Franklin Cruz

Dear Mr. Cruz:

I just wanted to let you know that I and my employees as well as other hospital staff are completely satisfied with the Big Belly Solar Powered Compactor.

It has enabled us to keep a very busy area outside the Emergency Room free of debris and also save hours of labor.

I would highly recommend this equipment.

Sincerely,

A handwritten signature in black ink that reads 'James Donovan'. The signature is stylized and includes a long horizontal flourish extending to the right.

James Donovan
