## Changing The Way The World **Cleans**

The **lotus® PRO High Capacity cleaning system** turns ordinary tap water into stabilized aqueous ozone, nature's most powerful cleaner. The **Stabilized Aqueous Ozone (SAO)** is a highly effective cleaning agent that breaks down dirt, grease and other contaminants, safely replacing traditional chemical cleaners, deodorizers and sanitizers.

CERTIFIED • PROVEN • POWERFUL

### PEOPLE

- **Non-Irritant** to respiratory and allergy problems
- **Improved** health & safety (MSDS 0-0-0-A)
- **Reduction** of slip & falls
- **Eliminates** exposure of chemicals to staff & visitors
- **Promotes** a healthier working environment

### PROFIT

- Eliminates need to purchase, transport, distribute, store, mix and restock
- Drastically reduces inventory of multiple chemicals
- All-in-one solution improves productivity
- Saves versus conventional cleaners (gallon to gallon)
- Reduction in sick days due to chemical exposure
- Lower maintenance cost related to cleaning equipment

### PLANET

- **Reduction** of carbon footprint
- Harmless to the environment when disposed
- **Green Seal** certified
- Compliant with the **BOMA BEST** standard

As a natural all-purpose cleaning and sanitizing agent, the lotus® PRO is being used in universities, factories, hospitals, office buildings, hotels and retail stores all over North America and Europe to clean and sanitize with Stabilized Aqueous Ozone instead of cleaning chemicals.

### APPLICATIONS

*Fill trigger sprayers, mop buckets, carpet extractor and auto scrubbers.*
